

It's time to get your furry family member in for a dentistry!

Keeping your pets teeth clean is very important to their overall health. We have decided that instead of celebrating Pet Dental Health Month in February that we are going to celebrate for three months! When you decide to clean your animals' teeth from January 1st 2021 to March 1st 2021 we are giving 10% off for one pet! Even better is if you schedule two or more of your fur babies, we are giving 15% off each! They have to be scheduled the same day and from the same family.

We look forward to seeing you for your pet's dental care!
